Rose,

I think the contingency from DEQ will include: me, Matt McClincy, Tom Gainer, Mike Poulsen, Jennifer Peterson, & Karen Tarnow. I'm urging the DEQ folks to come up to Alderbrook Mon afternoon 5/4. I haven't heard from everyone at DEQ whether they all plan to come up Mon..., so as for right now..., would you please just reserve a room for me? If you make the reservation will Alderbrook contact us about paying to ensure that reservation?

Matt, Tom, Mike, Jennifer, Karen,

Please contact Rose ASAP to make your reservations. I reserved 2 cars with the understanding that we'd all travel up there on Mon. I'll talk to Gerald about getting a van as an alternative.

Karen,

The rest of are under a blanket authorization allowing us to travel up to WA for PH business. I think you'll need to get out-of-state authorization. Work with Gerald.

Thanks, Rose!

Jim

Subject: Retreat Information

As I mentioned at last week's TCT, the retreat is scheduled for May 5th

and 6th at the Alderbrook Resort. Alderbrook is located just east of

Union, Washington on the Hood Canal. We will be having a two day meeting to map and discuss AOPCs at the Portland Harbor site to get us

ready for the development of sediment management areas, the screening of

remedial action alternatives and review of the draft FS.

The retreat will begin at 8:30 am on the morning of May 5th and wrap up

around 4:30 on the afternoon of May 6th. In order to get an early start

on Tuesday, we will be reserving a block of rooms for both Monday and

Tuesday night. Please confirm with Rose Longoria that you will be attending and which night(s) you will be staying (Rose has graciously

agreed to take care of the planning arrangements).

Over the next few weeks, we will be developing a detailed retreat agenda. I expect this to be a very productive get together.

Thanks, Eric
